The Hughesville Volunteer Fire Department and Rescue Squad, Inc. is proud to announce its sponsorship of the 62nd Annual Southern Maryland Volunteer Fireman's Association Convention. The annual event will be held on May 2, 2009 at the Hughesville fire station and throughout our town village.

As part of the event, we will be publishing a program to outline all of the activities of the weekend. We are seeking advertisers who would like to promote their business or organization in this program. The money raised from the sale of the ads will be used to offset the convention costs.

The program is a great tool to reach a large number of people in the Southern Maryland Region. The annual convention brings representatives from all fire and rescue departments in Southern Maryland. The program will be distributed to all departments in attendance. The program is a great forum to advertise your business, or share an important event or message from your department.

Advertising in the program is very affordable. Organizations can purchase ads, ranging in size from full page (8 1/2" X 11") to 1/8" of a page (business card size). The space can be used to advertise a business, promote an event sponsored by your organization, or share a message to individuals in your department.

Please consider purchasing an ad in this year's program; costs for individual ads are as follows (see reverse side for actual ad size).

Full page	\$100.00
1/2 page	\$75.00
1/4 page	\$50.00
1/8 page	\$25.00

Please complete the enclosed form to register your ad for the program. If you prefer, this registration form can be downloaded from our website (www.hvfdems.org). Please be sure to include artwork (ad layout or business card), as well as payment. Checks can be made payable to "HVFDEMS." All money received will be used to offset the cost of this year's convention. A deadline for submissions is set at March 31, 2009.

If you have any questions, or need additional information, please feel free to contact us. We look forward to hearing from you!
